**QUILT SHOW SUMMARY:** Blooms Along the Towpath will be remembered as one of our best shows!

Our new location, Canastota High School, proved to be a good one for attracting visitors. We set a record for attendance, 517 paying customers. All the work of our members paid off. Thank you all! Bonnie Haaland will have final numbers.

**NEW MYSTERY QUILT:** For a mere \$5, you can join in on the new Mystery quilt for 2019. This one is a modern design and not nearly as tedious as the last quilt we made. I think you will be very surprised when it's finished.

Please sign up and giving me your email address, printed clearly. I hope to be able to email the parts out to you once a month to save on paper. Of course, those with no email will get a written copy. Like previous Mysteries, if you would like to see the end results, I will be happy to show you. I will be collecting the \$5 at the October meeting.

— Bonnie Haaland.

**Website updates:** all updates or items for the website should be emailed to: Robin Brennan at [rab121954@hotmail.com](mailto:rab121954@hotmail.com). They will then be forwarded to our webmistress. If you are the chairperson for a committee, heading up a project, or in charge of a guild program, send me the information and we can get it in the site. This includes: lists of who signed up for what, supply lists, where to find patterns for guild projects, and any information for the members.

Currently the website password for the members only area is: bargello

**MY HERO CAP UPDATE:** Many Towpath members expressed an interest in helping to make “Superhero Capes” for patients at the Cystic Fibrosis Center of Golisano Children’s Hospital. Kits for the capes will be available at the October Towpath meeting. Capes will need to be finished and returned to Nancy Sellers by MARCH 10, 2020. Samples of the capes are on display today.

Thank you for your support and enthusiasm! — — Nancy Sellers

Anyone wishing to help her with planning the Holiday party, please contact her at [donitawhalen@gmail.com](mailto:donitawhalen@gmail.com).
